

WHAT IS KID U?

The Kidology University (Kid U) is a series of multi-day conferences that provide practical training, refreshing encouragement, and access to expert children's ministry resources.

Kid U consists of a Saturday packed with relevant group sessions, your choice of workshops, an exhibition hall with amazing resources, and of course, lunch! In addition, an optional pre-conference is available on Friday to showcase a variety of creative ways to engage kids in learning. Plus, you'll hear an encouraging message from Cadre Ministries founder Bill Allison.

The Kidology University was founded in 1999 to bring Kidology.org's unique equipping and encouraging approach into a live, hands-on training environment.
