SAY

Jesus' resurrection was an incredible event! Imagine being Mary or one of the guards on that day at the tomb. An earthquake begins and angel comes down from Heaven to roll away the giant stone. The angel's face shines so bright you can barely look at him and he tells you that Jesus is no longer in the tomb, He is risen from the dead! The guards fainted when they saw the angel and Mary Magdalene and the other Mary were both filled with joy and scared to death at the same time. How would you have reacted? Draw an emoji face to show what your face would have looked like if you had been there.

Pass out yellow paper circles and markers to each of the kids. Allow them a minute or two to draw their emojis. Give the kids ideas if they need guidance.
