

## H.E.R.O. HEADQUARTERS Skit One

### **Overview:**

Its recruitment time at the H.E.R.O. Headquarters. They are looking for new superheroes who will realize who they've been created to be. They want to help two new recruits stop wearing their disguises and start living by God's power. The opening will have a few ridiculous super heroes walking in and auditioning for the part, before the two main characters enter. It will be a lot of fun to use various leaders in outrageous costumes for these small parts.

### **Characters:**

Mr. X: Appears only on Video and you never see his face. He is the big cheese of H.E.R.O. Headquarters. Live characters will interact with Mr. X. These videos are on the DVD and should be rehearsed well to get the timing down.

Ali Mode: Mr. X's right hand gal. She helps Mr. X carry out his training. Costume idea might be to have her wear all black, or something futuristic.

Gavin and Hunter: Two regular guys who sign up for the H.E.R.O. Headquarters not quite sure what they are getting into. They learn along the way what it means to be a true hero.

Plunger Man: A cape, a mask and a plunger is all he needs. The more ridiculous looking the better.

Tin Foil Man: Wrap someone up in tin foil for this costume. The shinier the better.

The Packager: Make pants and a cape out of bubble wrap packaging rolls. Also a box taper would be good.

*Scene opens as Ali Mode enters with a huge stack of office folders and books. On her way to the desk she begins dialogue about the HERO training starting today.*

Ali: I can't believe it, HERO training starts today and we've got a line of crazy people waiting to audition to be a super hero! I wonder what kind of looney toon characters we'll have today. Couldn't be worse than last year's bunch of coconuts... *(Interrupted by the video of Mr. X)*

Mr. X: Good morning Ali Mode, I trust you are ready to find our next batch of heroes?

Ali: Yes Mr. X As always it is my honor to serve here at H.E.R.O Headquarters.

Mr. X: Excellent, now remember. Our goal is to help people discover who they already are, who they have been created to be. Some of these people are walking around in disguises trying to be somebody they are not. They want to be a HERO but they want to do it on their own terms and by their own power. We can tell them of a better way...no we can show them a better way. I'll wait to hear from you tomorrow morning with some new recruits. Oh and one more thing Ali, make sure you pick up my tights from the dry cleaners.

Ali: Yes, Mr. X.

Mr. X: And a little less starch this time. I nearly got stuck in my super suit after saving Mrs. Johnson's kitty from the tree. Took me 2 hours and a whole can of motor oil to slip back into my regular clothes.

Ali: Yes Mr. X, I'll take care of it. *(Shouts to outside)* Okay, send in the 1st audition.

*1st ridiculous super hero comes in costume. You can change these according to whatever costumes you come up with. Some ideas are Plunger Man, Tin Foil Man, The Packager.*

Ali: Yes, yes, who are you?

Plunger Man: I am Plunger Man...Here for my tour of Doody! *(Duty)*

Ali: Okay, okay what is your super power?

Plunger Man: Unclogging the evils of this world and flushing them down the drain of no return. I'll plunge every evil until we...

Ali: Out! Out! No thank you. Oh boy here we go again. Next! And just who might you be?

Tin Foil Man: I am Tin Foil Man!

Ali: Hmm, hmmm, but we already have baked potato man, what do you do for your super power?

Tin Foil Man: I reflect all that is evil and seal in all that is good and fresh!

Ali: Sorry, we prefer Cling Wrap....NEXT! What are you?

The Packager: I am the Packager and I'm here to box up the evils of this world and ship em out of here, I offer priority, 3 day or over night express shipping of evil. You want your evil gently shipped, I'll bubble wrap it free of charge. Although I'm not responsible for boxed evil that becomes damaged or let loose en route.

Ali: Try FED X, I hear they're hiring. NEXT!

*Enter Gavin and Hunter plainly dressed.*

Ali: Okay you must be at the wrong place, what kind of heroes are you supposed to be?

Gavin: Well, we're not really sure.

Ali: Come on what kind of costume is that...are you "I didn't do my laundry man"?

Hunter: Oh no, I spilled my Slushee on my shirt.

Ali: Okay what's your super power?

Gavin: Super power? I don't know, I don't think I have one.

Ali: You must do something; everybody who comes here thinks they have a super power.

Hunter: Once I drank a mountain dew and belched the entire alphabet.

Gavin and Hunter: Oh yeah, that was awesome! You should show her. Oh cool etc. *(open soda, as if to begin the belch, but being stopped by Ali Mode)*

Ali: No, no! Please don't. *(Sizing them up)* No costume, no superpower, you are not the usual audition for a superhero. Usually we have to re-train everyone to think differently. But you two might be just who we are looking for. Okay you are

in. You start training tomorrow first thing in the morning. Get a good night sleep; I'll start working on your tights.

*Ali exits.*

Both: Tights!

Hunter: I can't wear tights! Wait! Come back!

Gavin: What have got ourselves into, Hunter?

Hunter: I'm not sure, maybe it has something to do with what we talked about. We both said we're tired of being "ordinary". We said we want to find out what we're here on this earth for. I really feel like there is something inside of us that we've been hiding.

Gavin: Yeah, but they want to make us where tights!

Hunter: Come on, let's go get some rest. I think we have a big day tomorrow.

*The End*
