IMPORTANT AND NECESSARY INFORMATION

Contact Information:

If you have any questions or suggestions ... e-mail us through the website:
www.ChildrensChurchStuff.com. Of course, there is always this option too:
Patricia Meyers, Children's Church Stuff, 428 S. Seminary,
Collinsville IL 62234

Personal Information:

Miss Pat has been ministering to children for over 25 years ... she was on the pastoral staff of her local church as their Children's Minister for a decade. With multiple services, almost 300 children on the roster and 200 volunteers, her experience is solid. As you read through the lessons you will know without a doubt that this material is written by someone who truly knows children and has spent years in the classroom as well as years building a strong volunteer team.

Copyright information:

This material is copyrighted, but we give you permission to copy any pages for use by your workers, helpers, and puppeteers. We have found that handing out your originals is a BIG mistake! But, we do ask that you not share too much with all the churches in your town ... instead, kindly direct them to our website where they can purchase their own copies! Remember: it's ChildrensChurchStuff.com

Bible Translation:

We used the New International Version in this set of lessons unless otherwise noted.

Booking Information:

Miss Pat can come to your church for a training session or encouragement/inspirational volunteer meeting, or to be a guest in your Children's Church. We are putting together travel schedules that fit around conference speaking engagements to save money ... send an e-mail and inquire.

EXTREME PARTY PLANS MAKE EXTREME MEMORIES!

We sincerely hope you LOVE this material. Use it for Big days, VBS openers or closers, Revival meetings, 5th Sunday parties, holidays whatever your creative brain can come up with ... just enjoy and be blessed!

1. Read all the material first. The ideas all go together and my thoughts may spur your own. So read it all through before you start making plans. You want time to promote and give the kids time to think about their costume plans!
2. Read it the month before you are going to use it so you know what might need to be "found." We used these plans for 5th Sundays. Every time a month had five Sundays in it ... WE HAD A PARTY! While the party plan you have in your hand is specifically for Christmas, there are many others available on our website: www.ChildrensChurchStuff.com for any and all occasions.
3. Make copies of anything you need for use in your own church. Pass them out to all the people you can call on to help ... the more people involved ... the more fun!
4. We have also included a sample flyer layout. You can use this one if you like, just write in the date of your event under the WHEN? and write in what you are going to collect for missions or white out that part if you are not including that in your event.
5. I enjoy puppets tremendously, but I know that many times puppeteers are hard to come by. All the skits contained herein can be done live just as easily. Enjoy!
6. You will find a memory verse paper provided to make life one little jot easier for you! Copy on colored paper (just because it's more fun) and hand out to your children!
7. There are video suggestions, song suggestions, game ideas, etc. All kinds of stuff that will make your Theme Party a lasting memory in the children's minds. AND we hope they bring friends upon whom it can have a lasting impact for eternity!
8. Make this your own. Throw out what you don't like or you think takes too much preparation, and use the rest! We just pray you are blessed as you see the kids smile from ear to ear on this special day. We have received more comments through the years from the kids and parents about our "5th Sunday Parties" than anything else. And more kids have prayed to accept Jesus in their hearts on these days than any other day as well!
9. Thank you for obeying Psalm 78:48 "We will not hide these truths from our children, but will tell the next generation about the glorious deeds of the LORD. We will tell of his power and the mighty miracles he did." Thank you ... I pray blessings upon you!
10. We used the New International Version Translation for this party plan.
