Once God had created the Earth and everything on it, he was pleased with what he had done, but there was no man to work the ground. So God formed man from dust of the ground - he breathed life into him and he became a living man. He made him in the image of God. His name was Adam.

#### Visual 2

The Lord took the man into the Garden of Eden to work and care of it. God said to Adam "you are free to eat from any tree in the garden: but you must not eat from the tree of knowledge of good and evil for when you eat of it you will surely die."

#### Visual 3

God made Adam ruler over all the animals and all the creatures on the earth and Adam gave them all different names, God provided Adam with everything he would possibly need.

#### Visual 4

Then God said "It is not good for the man to be alone. I will make a helper" - So God caused Adam to go into a deep sleep and he took one of the man's ribs and made a woman called Eve. They were happy in the Garden of Eden together. God walked with them in the garden, they were friends with God and everything was perfect.
