Kidology University
In the online world, Kidology.org is the leading independent resource for
equipping and encouraging those who minister to children. Experience this
quality training in person with Kidology University, our affordable conference
on **October 1-4, 2008!**

For the past 10 years, Kid U has been a volunteer-focused Saturday conference
that provided practical training, refreshing encouragement, and access to
expert children's ministry resources. For our 10th anniversary, **we're excited
to expand Kid U to include two days of leader-specific training** on the
Thursday and Friday prior to the traditional Saturday event.

Leaders want to experience more than just lectures. They want to be
challenged by top-notch trainers, interact with the material being discussed,
and network with each other. Kid U's Leadership Labs were designed with the
intentional leader in mind. Get personalized coaching as you apply leadership
principles that you can take home and implement right away.

On top of that, you'll have fun!
On Thursday evening you'll join dinner groups for some relational fellowship.
Then maybe on Friday night you'll find yourself called out of the audience in
the Kidz Blitz Children's Pastor Challenge! Speed more your thing? Don't miss
your chance to compete in the Kidology Sport Stacking Tournament. Later you
can jam with God Rocks! at the live concert!

Kidology University will knock your socks off!
