Reflections on our Children’s Ministry

**How are we doing?** I have selected a few volunteers from each of our children’s ministry areas and some parents with kids in each area to give this survey too. If you are not able to participate, please return this form to me so that I can give it to someone else. Your individual responses will be kept confidential, however, the sum of the input will be used by our own leadership team for evaluation and future ministry planning. Please answer these questions prayerfully, honestly, thoughtfully, and as completely as possible. A copy of the final evaluation will be available to you upon request after DATE HERE. Thank you for your time. Your careful thoughtfulness will be a benefit to me and our Children’s Ministry. I need this back by: DATE HERE

1. How would you state the MISSION of our Children’s Ministry in one sentence?

2. Name the key values that you believe drive our Children’s Ministry? (or) What should they be?

3. What good things are happening in our Children’s Ministry? What factors in contribute to these?

4. What do you feel needs to be done better in our Children’s Ministry? What factors in the present situation could hinder change in the areas you have identified?
5. What do you feel can stay pretty much the same as it is? Why?

6. What do you feel needs to be accomplished in the our ministry development over the next year(s)?

7. If money and staff were not an issue – (in other words, set obstacles aside) What things do you envision in an ‘ideal’ Children’s Ministry? What kind of things would be happening? What new programs or ministry positions do you see? Be creative… What would it look like?

8. When you pray for the Children’s Ministry, what do you pray? (or) What should we be praying for?
